# CALL ME BY MY NAME!

But where are  
you really  
from?

Can I call  
you 'X'  
instead?

What does your name mean and  
how can I pronounce it correctly?

If less than 1% of your friend  
group in Cambridge can  
pronounce your given name  
correctly, this event is for you!

A safe space for all students from  
different backgrounds to share  
their name stories. ❤️
